Dear Saints and Prayer Supporters,

When God calls a person to do His bidding He also promises to equip them with the necessary tools, abilities and resources to complete it. As Lidia and Ronald (directors pictured here) seek the Lord for His grace, they are challenged on every side, but continue to be faithful. We are so grateful for what the Lord has done and continues to do through their lives.

Hands of Love children's home is thriving and continuing to move forward even though times have been difficult. The school year started with a bang as children have moved on and new ones have come in. We currently have 35 children and 24 of those are new.

The children were ready to start school again in February! School supplies for 35 children (not including uniforms, shoes and clothes) came to \$1000! Amazing! It's always exciting to see the kids happy with their new school supplies and wanting to get back to class.

The children continue to do chores learning how to clean (sweep mop and dust), help in the kitchen with food prep and washing and drying dishes and the older kids learn how to help in the bakery.

Between the Awana program where they learn scripture memorization, Wednesday night Bible study of Romans 9-16, as well as group and personal devotions, these children are saturated in the Word of God and learning His plan for their lives.

We are so grateful for the psychologist that is able to spend time with our children having classes and one on one time with so many that have been traumatized.

We were gifted a new Refrigerator! Everyone was excited! We are so grateful for the ones who take an interest in the needs of the ministry.

The farm continues as we work hard to keep our animals. We are trying to plant corn, alfalfa and potatoes, the weather permitting. The children always get a chance to help in the care of the animals. They love to go and help on the farm. It is located about an hour and a half away.

Will you pray with us as we seek to guide and love on these children and show them God's way? We need your daily prayers for wisdom, faithfulness, patience, and strength!

If you are interested in giving financially to help the ministry you can send checks to: P.O. Box 868. Rome GA. 30162 OR go to: www.handsofloveforbolivia.com and give thru Paypal.

The staff (minus the two farm workers) who daily care for these children.
